

FIRE-PHONE HOUSING

DESCRIPTION

The Fire-phone Housing (P/N 10-2756) can be used in conjunction with the Digital Paging Card (P/N 10-2727) to provide firefighter's phone capability throughout the facility.

The housing consists of an 18 gauge steel enclosure with a baked on enamel finish (red or black), firefighter's phone and connection cable. The housing is designed to be mounted inside the Fire Command Center enclosure using hardware provided.
